OUR PROCESS OF ADMISSION

1. This year, due to COVID-19, we could not conduct Written Test. Keeping in mind the health of all, we conducted only a telephonic interview and the candidates who gave a satisfactory performance have been selected for admission. (As per system, we conduct written test in Physics, Chemistry, Math's, Biology, English and Mental Ability. A child who qualifies the written test is selected for interview along with parents' interaction. Final result is declared after all these stages).
2. Now we would like to tell all the selected candidates that the admission is done only on the basis of a telephonic interview. You have a great responsibility this year to study hard. You have to spend a lot of time as only online classes will be held till the school re-opens.
3. Parents may also motivate the children to work hard.
4. This year (2020), our students brought laurels in the board examination with an excellent result. Out of the total 219 students appeared in the board examination, 110 students scored 90% and above marks. Complete result is available on our website gnnps.in
5. Divyangi Tripathi, secured 498 marks i.e. 99.6%, probably the highest in Biology group. She is just 2 marks below the maximum of 500 marks. This is an outstanding performance. Her interview with a newspaper is given below. You may go through what she has told about her success.

जो पढ़ा जेहन में कैद कर लिया : दिव्यांगी
